

TentCraft, LLC / MONARCHFLAG Warranty

Lifetime, Non-Transferable, Limited Structural Hardware Warranty with 1-Year Printed Soft Goods Warranty

What and Who are Covered:

TentCraft, LLC ("TentCraft") warrants to the original purchaser that its MONARCHFLAG and soft goods will be free from manufacturing defects in material and workmanship. Your product is manufactured in our U.S. facility with premium materials. If TentCraft determines, in its sole discretion, that its MONARCHFLAG products have a manufacturing defect under the terms of this Limited Warranty, TentCraft will, at its option, either (1) pay to repair or replace any product it determines to have a manufacturing defect, or (2) refund the amount paid by the original purchaser.

In no event will the value of TentCraft's obligations under this Limited Warranty exceed the purchase price of the original products that TentCraft determines has a manufacturing defect. Any costs or expenses beyond this amount are the responsibility of the purchaser.

In the event of repair or replacement under the terms of this Limited Warranty, the warranty applicable to the original MONARCHFLAG product shall apply to the repaired or replaced product and will extend for the balance of the original warranty period.

In our experience, most damage occurs as a result of improper ballasting or lack of supervision. A heavy gust of wind can cause your flag to topple, which is dangerous and likely to result in damage when it crashes back to Earth. Always ballast your MONARCHFLAG. Your flag should not be left up unattended overnight as weather is unpredictable and your flag is not designed to function as a semi-permanent structure.

Limitations:

The MONARCHFLAG Hardware Lifetime, Limited Warranty and 1-Year Soft Goods Warranty does not provide protection against failure, defect, or damage caused by situations and events beyond normal exposure conditions, including but not limited to:

 - o Laying the flag down on ground for long periods of time
 - o Stacking flags extensively or stacking heavy objects on them
 - o Collapsing flag without removing the soft goods
 - o Dragging the soft goods and/or hardware across pavement or rough surfaces

- Shipping damage not noted with shipper at time of delivery;

- Damage due to improper use and ballasting as recommended by TentCraft;
- Failure of owner to provide normal maintenance and cleaning;
 - Use of bleach or harsh cleaners voids soft goods warranty
- Damage consistent with normal weathering, wear and tear, fading, chalking, and oxidation;
- Discoloration or other damage caused by air pollution, mold, mildew, exposure to harmful chemicals or normal weathering resulting from exposure to the elements;
- Damage resulting from accidents, fire, vandalism, wind exceeding design parameters, projectiles, earthquake, flood, lightening, hurricane, tornado, other casualties or acts of God;
- Items that are lost or stolen;
- Any other cause not resulting from a manufacturing defect in the MONARCHFLAG product supplied by TentCraft.

Damage to your MONARCHFLAG that is not covered under this warranty may be repaired or replaced at a reasonable cost. Replacement parts are available and TentCraft commits itself to working with you to ensure any damaged products are restored to a functioning state as quickly as possible.

Normal Weathering:

Normal weathering is defined as exposure to sunlight and extremes of weather and atmosphere which will cause any colored surface to gradually fade, chalk, or accumulate dirt or stains. The severity of any condition depends on the geographic location where the product is used, the cleanliness of the air in the area, and many other influences over which TentCraft has no control.

Warranty Duration – 1 Year Soft Goods Warranty:

The MONARCHFLAG soft goods carry a 1-year limited warranty when used in standard applications subject to all the terms and limitations set forth herein. The soft goods will be replaced or refunded within a year of the date of shipment if a manufacturing defect has been determined.

What the MONARCHFLAG Owner Must Do:

If you believe your MONARCHFLAG product has a manufacturing defect, or faded beyond normal weathering, you must promptly notify TentCraft in writing using the attached PDF warranty form. TentCraft will evaluate each properly reported claim under the terms of this Limited Warranty and will notify you of any additional information, photos, or product samples it may need in order to process your claim. In order to process your warranty claim, you must complete the PDF warranty form, include any additional documentation and photos, and submit all documents to your sales representative.
