HOW TO SETUP

TentCraft | MONARCH TENT SYSTEM

Peak Flag

TentCraft.com/MONARCH

1 Remove peak flag and hardware from the accessory bag.

2 Locate the short and long straight hardware poles and insert past rubber washer to secure peak flag pole.

3 Locate "L" hardware pole, and slide into the top of the long straight pole to create completed peak flag pole.

4 Now, locate your peak flag and slide the pole through the flag pocket starting from the top of the flag.

5 On the top of your peak flag, fold the Velcro flap over the top horizontal pole to secure flag onto the hardware.

6 To attach the peak flag, first make sure tent is fully collapsed, open peak cap and slide peak flag pole into peak hole.

7 Expand the pop-up tent frame with the peak flag installed.
