TentCraft is a vertically integrated custom manufacturer located in Traverse City, Michigan. We make an array of experiential marketing solutions, tents, and custom products that quickly satisfy the project needs of our clients. We have the capacity to fulfill your requests from one-off unique ideas to high-volume standardized elements that require components like digital print, CNC machining, cutting, and sewing. More specifically for government procurement, we are an excellent resource of quick tent needs for disaster relief, portable shelter, medical screening, drive-thru testing, hospital containment, and crisis mitigation.

CORE COMPETENCIES

TENT DESIGN & PRODUCTION

- Pop-ups & accessories.
- Semi-permanent rigid frames.
- Lightweight space-saving inflatables.

CUSTOM FABRICATION

- Large format digital printing
- Build-to-order cut & sew
- CNC metal machining

QUALITY & CUSTOMER SERVICE

- Average 3-day lead time for most products
- Industry recognized & customer affirmed quality & service.

DIFFERENTIATORS

VERTICALLY INTEGRATED

means we are capable of reacting quickly & efficiently.

TURNAROUND SPEED

is unrivaled in our industry.

CUSTOM CAPABILITIES

allow us to be flexible in many of our product designs.

PAST PERFORMANCE

For 15 years, TentCraft has built a sterling reputation for delivering heavy-duty custom tents at unrivaled speed. During COVID-19, we have been proud to outfit VA hospitals nationally with quick-deploy medical tents to treat America's veterans during the pandemic. We work with our customers to meet every need - whether it's customizations, fabrication, printing, or delivery.
